

REMARKS

The Notice of Non-Compliant Amendment dated August 28, 2007, states that the Response dated August 10, 2007 is considered to be non-compliant because it failed to meet requirements of 37 CFR 1.121. The Notice states that a "clean copy of the abstract" is required.

Applicant's representative can find no rule that states that both a "marked-up" and "clean" copy of a replacement abstract are required. In order to advance prosecution a "clean" copy of the replacement abstract is enclosed herewith. Please cancel the previous abstract in favor of the replacement Abstract.

If the Examiner believes that there are any outstanding matters left to be resolved regarding the Notice of Non-Compliant Amendment, he is respectfully requested to contact the undersigned. Consideration of the Response filed August 10, 2007 is respectfully requested.

Respectfully submitted,

*Brian Tumm*
